

Grow Your HR Consultancy Your Way

Coaching, training and a community for HR consultancy owners who want to start, grow and scale.

Gain confidence in your offer and move the needle forward in a supportive environment that encourages accountability in a step by step approach. We provide all the resources and skills you need with an inspiring coach to guide you on your journey.

What's included in the Mastermind

This is a 10-week mastermind starting on Monday, 3 October. Each week we meet for 1- hour to cover the key topics you need to grow your HR business. You'll also be invited to join our private slack community for mastermind members only. A place to share, ask questions and join monthly talks from industry experts.

Week 1	Identify your ideal client
Week 2	Set your goals for success
Week 3	Sell your value, not your time
Week 4	The principles of 'future back thinking'
Week 5	Perfecting systems and process

Week 6	Increasing your margins
Week 7	The power of account management
Week 8	Manage your time
Week 9	Informative decision making
Week 10	Bringing it all together!

"Sam appeared in my life at just the right time! She has since been instrumental in providing resources, guidance, programs, and services that are going to help me build up my business into a thriving one!! I would highly recommend Sam to any HR Consultant out there!! She's an amazing business partner!"

Kristie A. Dierig

| M.S.-Founder, Ever Spark LLC,
Self-employed

"I recently attended one of Sam's webinars and all I can say is WOW! In just 60-minutes I took away so many ideas to implement into my business straight away. Sam clearly knows what she is talking about having walked the walk and could truly relate to me and my business."

Secure Your Place Today!

I'm conscious that everyone is hurting right now financially. So I am marking it down from \$1250 to \$950 per person over three monthly instalments. For those who are happy to pay in one, then \$2,550 for one initial payment to be received before we commence.
